

OUR MISSION

To Live Lives of "Significance" and "Service" for Jesus Christ

The Exiled Church Returns

onsite worship begins Sunday, June 14th

Onsite Worship We are excited to announce that - after almost twelve weeks of worshipping online - we will return to worshipping on once again. On Friday, June 5th Gov. Inslee officially moved Clark County into phase 2 which will allow smaller churches like Life Journey to hold limited indoor worship services (*50 max or 25% occupancy*). We will be using much of this coming week to implement our COVID-19 Reopening Plan strategies.

Our new church chairs will be shipped on Friday, June 12th giving us a target date of Sunday, June 21st to begin using them. We will temporarily use our cushioned Cafe chairs for this coming "Welcome Back" Sunday worship. Please arrive early to worship to help us create a "flow" of moving people into the worship center to seat them according to "social distancing" recommendations. The Cafe will be

closed (*except for coffee / tea / water*) until we feel comfortable serving morning breakfast once again - perhaps in September. Our "Kidz Journey" Sunday School (grades 1-5) will be available during worship.

We are also working hard to install the necessary equipment to offer online "live streaming" from 10:15-11:15am on Sunday mornings for those who can not attend worship on site at this time. Stay tuned, there's more information to come
